Serger Lecture/Demo

Johanne Brousseau \$22

A serger is a wonderful tool. It can finish a single raw edge of fabric or sew, trim and finish a seam all at once. Using a serger you can give a more professionally finished look and it can be used for creative and decorative effects. Do you use your serger to its full potential? Using a serger is fun and fast. Don't miss this common-sense approach to understanding the serger. You will learn to trouble shoot tensions, easy and fast thread changes, navigating corners and curves, adjust for the fullest of ruffles and the most stretchy seams. Learn to establish a bonding relationship with your serger.
